FARMERS' MEETING PROGRAM ANNOUNCED SHOWS GOOD TALENT

Many Prominent Speakers on the Program For Big Three Days' Free Chautauqua in Maysville August 11, 12 and 13—All Plans Now Laid.

All arrangements are now practically completed for the big free Farmers' Chautauqua to be given at Beechwood park on Monday, Tuesday and Wednesday, August 11, 12 and 13. Plans have been made at this end of the line for a great gathering each afternoon and evening during the three days and the announcement comes from state headquarters in Louisville that the talent for the Maysville county meeting will be far above the ordinary.

All of these meetings are absolutely free to all and it is hoped and expected that there will be good crowds each day. The official program as announced today for the first time follows:

- August 11th
3 p. m.—Singing—University of Kentucky Quartette.
3:10—Better Roads—M. B. Ross, representing Department of Roads.
3:50 p. m.—Keep the Boy Busy—F. N. Barrett, Extension Division, College of Agriculture.
8 p. m.—Singing—University of Kentucky Quartette.
8:20—Making Microbes Work—Dr. D. J. Healy, Experiment Station.
9 p. m.—Motion Pictures—"Construction of Concrete Silos," "Flies," "Helping the Farmers of Tomorrow," "Development of a Hen Egg".
August 12th
3 p. m.—Boost Garden and Orchard—C. W. Mathews, College of Agriculture.
3:40 p. m.—The Rural Church—Dr. W. A. Ganfield, Y. M. C. A.
4:20 p. m.—V. O. Gilbert, Superintendent Public Instruction.
8 p. m.—Getting Together—Dr. Fred Mutchler, Extension Division College of Agriculture.
8:40 p. m.—Motion Pictures—"Growing Strawberries in Warren County, Ky.," "Government Poultry Farm, Maryland."
August 13th
3 p. m.—Health Is Wealth—Dr. I. N. Wittenberg, State Board of Health.
3:40 p. m.—Home Making—Dora Sonnenaday, Extension Division, College of Agriculture.
4:20—Better Stock by Better Breeding—W. S. Anderson, College of Agriculture.
8 p. m.—Rural Relief Work—Dr. S. E. Brewster, American Red Cross.

FIELD ARTILLERY COMPANY EXPECTED HERE NEXT WEEK

Large Company of Field Artillerymen Meeting With Success in Recruiting in Bluegrass Section—Leave Lexington On Thursday.

The detachment of Field Artillerymen with 50 horses and men and two 75-millimeter guns, which is touring the state of Kentucky for recruiting purposes has thus far met with much success in the Bluegrass section of the state and they have been much delayed in that district. Although they are expected to be through this district this week, it is not now likely that they will be able to get to this section of the state before next week. The detachment will not leave Lexington until Thursday evening.

They are scheduled to go to Georgetown from Lexington, from Georgetown to Paris, thence to Cynthiana and then over to Maysville. Wherever the detachment stops a demonstration is given by the horsemen with their guns and an effort is made to get recruits. Definite announcement of the time the detachment will arrive in Maysville will be made later and they will probably spend a couple of days camping in our city.

CONVEYANCE TO ANNUAL CHURCH MEETING

The Germantown automobile bus will make special trips to the Two Lick Baptist Church on Wednesday and Thursday morning to carry delegates and visitors to the annual meeting of the Braeken Association of Baptists. The bus will leave Maysville on the special trip directly after the arrival here of the morning L. & N. and C. & O. trains.

HEAVY TRUCK BREAKS LIMESTONE BRIDGE

A heavy automobile truck passing over the Limestone bridge early Monday morning broke several of the floor timbers in the bridge. Street Commissioner Ben T. Smith and his crew were working on the bridge early, however, and soon had it in first class condition again for travel.

MISSION DIRECTORS MEET ON TUESDAY

The Board of Directors of the City Mission will hold a business session at the Mission Rooms on Tuesday afternoon at 3 o'clock. All members of the board are requested to be present.

8:40—Motion Pictures—"Making of a Nurse," "Government Poultry Farm, Maryland," "Road Making".

RESOLUTIONS ADOPTED BY CHURCH ON LEAVING OF PASTOR

Dr. B. B. Bailey Preached Last Sermon As Maysville Pastor to Crowded House on Sunday Evening—Prof. Caplinger Expresses Appreciation.

All of the churches in the city joined with the First Baptist church Sunday evening which was the last service of the pastor, Dr. B. B. Bailey, who this morning enters upon his duties as General Evangelist for the Home Mission Board of the Southern Baptist Convention.

The last sermon, like all this popular pastor has preached here, was a wonderful combination of logic and oratory.

At the close of the service the church resolved itself into a business session and Prof. W. J. Caplinger, chairman of the Board of Deacons, offered resolutions which were unanimously adopted. Prof. Caplinger, then in a short talk, expressed the regret of the membership of the church upon the pastor's resignation and the high esteem in which the community holds Dr. Bailey.

The resolutions as adopted follow: Whereas: Our beloved pastor B. B. Bailey, D.D., has offered his resignation as pastor of the First Baptist Church to take effect August 1, 1919, to accept the position of Evangelist of the Home Board of the Southern Baptist Convention, and

Whereas: We greatly appreciate the signal honor that has come to our church, not only by the fact that our pastor was chosen by those in authority because of his peculiar fitness for this very important and responsible position, but because of the fact that it is Dr. Bailey's expressed wish that he and his good wife's membership may be allowed to continue with this congregation, and that both should be regarded as our special evangelists, therefore

It is resolved: That, while we with much reluctance accept his resignation and deeply regret the severance of our relation of pastor and people, that we hereby express our very great appreciation of the faithful, untiring and efficient service which he has rendered the Master and us in his much too brief pastorate with us.

Be it further, Resolved: That while we fully recognize the loss of this noble leadership, that your prayers and best wishes shall accompany him and his esteemed family wherever the Lord may call them, and that he may be used by God for the spread of his Gospel, the uplift of humanity, and the salvation of precious souls.

Be it further Resolved: That a copy of these resolutions be spread on the records of our church, a copy be given to Dr. Bailey, and that a copy for publication be furnished to each of our local papers, the Western Recorder and the Baptist World.

W. T. BERRY, Committee. Unanimously adopted by the First Baptist Church of Maysville, Kentucky, in business session assembled August 2, 1919.

FRANK S. TOLLE, Church Clerk.

THREE ARRESTED FOR HAVING NO LIGHTS ON AUTOMOBILES

As was promised by Chief of Police Harry A. Ort, patience has been worn thread bare at warning automobile operators that the traffic laws would be enforced as to the proper lighting of vehicles and on Monday morning Chief Ort asked for warrants in Police Court for Miss Hattie Wood, Pat Collins and Dr. Winn H. Hord, all three being charged with operating motor vehicles without tail lights. Warrants will be served immediately and these arrests should serve as warning to other machine owners to have their tail lights burning.

DON'T BELIEVE ALL REPORTS IN REGARD TO WATER

All sorts of reports are being circulated as to the city water. The most vile was that one circulated Monday morning that the bodies of three small babies had been found in the city reservoir. There are no grounds for such reports and citizens should not believe even half they hear in regard to the city's water. It's bad enough as it is but such false rumors only tend to make conditions much worse.

COLORED MASONS MEET HERE FOR ANNUAL CONVENTION

Annual Sessions Open Today at Court House—Will Continue Through Thursday With Prominent Colored Citizens Here.

The advanced guard of the Colored Masons of the state of Kentucky which will meet in this city this week in their session, began to arrive Monday morning and the evening trains Tuesday and the morning trains Tuesday are expected to bring to the city a great number of delegates from all of the lodges of the state.

Nothing has been left undone by the local Colored Masons to extend a hearty welcome to the visitors and a week full of entertainment has been arranged.

The first sessions are scheduled for today when the Grand Chapter of the Royal Arch Masons will be held at the Court House. This is the only meeting which is scheduled for today but tomorrow the program opens in full blast with the opening of the Grand Masonic meeting and the meeting of the Grand Order of Eastern Star. The Grand Commandery of Knights Templar will also open on Tuesday.

Tuesday evening's session which will be held at the Court House will be the welcoming session when Mayor T. M. Russell and County Judge H. P. Parnell will welcome the delegates to the city of Maysville and to Mason country.

Some of the leading colored citizens of the state will be here and they are extended a right royal welcome to Maysville, the best fourth class city on the globe.

FUNERAL OF MRS. HUNTER HELD SUNDAY AFTERNOON

The funeral of Mrs. J. Montgomery Hunter was held from the home of Mr. J. J. Wood on Forest avenue Sunday afternoon at 4 o'clock and many friends were in attendance. The services were by Dr. John Barbour, of the First Presbyterian Church, who paid a touching tribute to the life of Mrs. Hunter. Beautiful music was furnished by Mr. R. A. Cochran and Misses Mary Wilson and Florence Barbour and there was a profusion of beautiful flowers showing the love all had for Mrs. Hunter. The pallbearers were Messrs. R. A. Cochran, W. J. Hall, R. B. Owens, John M. Hunt, Percy Lee, J. B. Wood and burial was made in the Maysville cemetery. Friends extend sympathies to the sorrowing husband.

Those from a distance attending the funeral were: Dr. J. G. Hunter and daughter, Miss Lilly, of Harrodsburg, Ky.; Mr. and Mrs. Thomas Nichols, of Cincinnati; Captain Daniel Morgan, wife and daughter and Miss Smith, of Hillsboro, Ohio.

MAYSVILLE PICTURE IS SHOWN HERE TODAY

For the first time the Maysville Fourth of July movie will be shown at the Washington Theater today and it is expected that the theater will be crowded with folks anxious to see themselves in the movie. The picture will be very interesting and has many beautiful and attractive scenes in and about our city.

BAND CONCERT AT BEECHWOOD PARK

Quite a number of people enjoyed a delightful band concert by the Boys' Band at beautiful Beechwood Park Sunday afternoon. These late Sunday afternoon concerts at the park will prove quite popular as soon as the public realize that they are to be regular occurrences.

Buy in Maysville. It pays.

CHILD DROWNS IN SMALL POOL OF WATER AT PUMPING STATION

Young Son of Fireman at Water Works, While Playing About the Plant, Falls Into Shallow Water Hole and is Drowned When Found.

This three-year-old son of Asbury Igo, one of the firemen at the Maysville Water Works, was drowned in a shallow hole of water at the plant about 6:30 o'clock Sunday evening. The child was playing outside the plant and fell into a hole about three or four feet deep which has been dug about a water pipe whose repairs were being made and which had filled with water from a leak.

When the child was first discovered by a playmate, it was floating dead upon the water in the hole. An alarm was sounded and Dr. McGuire was summoned but he was unable to bring life as the child had probably been in the water fifteen or twenty minutes before it was discovered.

When he learned of his child's drowning, Mr. Igo fainted and remained in a stupor for several hours. The death is a very sad one as both mother and father of the bright little boy are prostrated with grief. The little fellow was their only child and both almost worshiped him. They have the sympathies of the community.

The child was buried at the Maysville cemetery this afternoon at 3 o'clock. Services were held by Dr. J. J. Dickey, of the Second M. E. Church, South.

MANAGER SERENADES HIS MOTHER

Following the band concert at Beechwood Park Sunday afternoon Manager J. Barbour Russell had the Boys' Band serenade his mother at her home in Third street. The band also played several numbers in the band stand and a photograph of the organization was taken.

ACCEPTS POSITION AT NEW GROCERY STORE

Mr. James L. Finerty has resigned his position at the Diener Soft Drink Saloon and has accepted a position as salesman at the Thomas Grocery Company's new store.

FOR SALE

30,000 feet of Sheathing, good lengths and in splendid condition. See H. E. Pogue, Distillery Co. 29-1wk

YOUNG ROBBERS WERE PRO- FESSIONALS; BADLY WANTED

Youngsters Captured by Adams County Sheriff Had Been Operating on a Wholesale Plan in Indiana—Returned There Last Week.

Charles H. Pettitt, of West Union, Ohio, sheriff of Adams county, was in Maysville today on business and while here Sheriff Pettitt paid the Public Ledger a pleasant call. He says that since he has been sheriff of Adams county he has not yet made a richer haul than that made by him last week when he arrested Walter Elred and Raymond Mickler, two young men, who he caught in the act of robbing a farm house near West Union.

As soon as it became known that he had these young men under arrest many requests came to him from the state of Indiana to hold the men for them. It developed that these two young men were real professionals at robbery and that they had stolen two automobiles and a motorcycle besides robbing a large drug store in Indianapolis. The motorcycle which they rode into Adams county was stolen and Sheriff Pettitt delivered the stolen machine to the owner on Sunday.

NOTICE TO WATER PATRONS

During the present water shortage and until further ordered, all of our patrons are hereby notified that they are to refrain from using water for street sprinkling, watering of gardens and for other purposes that are not absolutely necessary for the welfare of the individual. This order will be rigidly enforced and persons violating same will be deprived entirely of the use of water in their homes or places of business.

MAYSVILLE WATER CO.

The Missionary Society of the Christian Church, will meet Tuesday evening, at the Church at 7:30. This will be a joint meeting with the Circle Girls and a special program will be given.

Mr. and Mrs. George Clephane and daughter, Marion, Mrs. William Kinser and Miss Agnes McAuliffe leave tomorrow for Cedar Point, Ohio, on a vacation trip.

Mr. Headley Yazell was painfully hurt yesterday while cranking his machine.

WATER SITUATION SEEMS TO BE WELL IN HAND IN CITY

Water in Reservoirs Protect City From Fire and Pumps Are Keeping Mains Filled—All Water Should Be Boiled Before Using—Ice Situation Looks Good.

The water situation in Maysville, which for the past several days has been very serious, now seems to be pretty well in hand. Before noon Sunday there was enough water in the reservoir to warrant the turning of a portion of the supply into the city mains. The reservoir now has enough water to protect the city against fire and the homes are being supplied with water that is being pumped directly into the mains from the river without treatment.

Because of the season of the year health authorities warn against using the water before boiling it as to use the water as it comes through the pipes now may cause a typhoid fever epidemic.

There must be no waste in water in any way until the situation has entirely passed for while, we now have water and conditions are 100 per cent better than they were Saturday, there is yet a likelihood of another water famine should anything go wrong.

The ice situation is much better. There were deliveries made this morning and this afternoon but patrons were limited to a small supply. The factory is running night and day, however, and by tomorrow the city's ice famine will have been practically passed.

Directors of the Maysville Water Company, from Louisville, are here and have held several conferences. They have visited their plant and reservoir and know at first hand just the condition of things. Citizens are now anxiously awaiting the next move in the game which seems to be theirs.

Just what the owners of the water plant and system will do to permanently solve the situation, now that the situation is only temporarily solved and is liable to break down at any time, will be anxiously awaited by the people of Maysville.

Mr. Jesse Gummel of Seaman, Ohio, and family spent Saturday with their brother, C. H. McDaniel on Market street.

Mrs. H. S. Howland has returned to this city after a visit of several weeks with relatives in Philadelphia.

Trusses

OUR LINE OF TRUSSES ARE ALL HIGH GRADE AND WILL STAND THE WEAR AND TEAR OF SUMMER MONTHS. WE GUARANTEE A FIT.

M. F. Williams Drug Company
THIRD STREET DRUG STORE

TUNES---TIRES

Tires, they are, and tires they be,
Tires for you to come and see,
Seeing you'll buy, it's the tube that counts
You'll get it for nothing, thought the price still mounts.

Maybe you don't like our tune, but then, even at that, we think we are an improvement over the epitaph in the old English church-yard:

"Here lies the body of Thomas Woodhen,
The kindest of husbands and the best of men."

Directly beneath is this explanation:
"His name was Woodcock, but it wouldn't come in rhyme."

But, the fact remains, we have rubber tires to sell. In order to make the fact sink into your brain—double quick—we offered to five of you, FREE, with each and every tire, an inner tube. Are you on?

Yours, in a singing mood,

MIKE BROWN

The Square Deal Man

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

THE PLEASURE OF DISCOMFORTS

A little party that had recently returned from a summer's outing were asked how they enjoyed the trip. They said they had the "time of their lives," the best time they had ever had, says the Columbus Dispatch. The mosquitos were fierce—worse than they had ever been known to be; the traveling accommodations were poor; the food was not up to the standard at the resort where they stopped; the services were "on the bum;" but they had the best time they had ever had upon a similar outing.

In fact, they enjoyed the discomforts. Heretofore everything had been too easy. It was too much like living at a modern hotel, in the days gone by when they used to take the same trip. But this year, well, it was a great thing to experience discomforts and to make the most of the situation.

The gentlemen have simply learned a little philosophy. There is nothing more tiresome, more enervating, less to be desired, than to have one's every want taken care of without effort upon his part. It would do any man good to be cast upon an uninhabited island occasionally and have to hustle for himself. It would develop mental processes that have become dormant; it would arouse interest and excitement in life; it would teach philosophy—and humility, which is the handmaiden of philosophy.

EDISON ON THE "SQUARE DEAL"

When we see or hear the name of Thomas A. Edison at once we think of electric lights, phonographs and all the other marvelous inventions which this wizard of science has given to the world.

In connection with anything the great inventor says or does our minds never would develop a thought which borders on philosophy, and yet at a recent banquet in New York, Mr. Edison actually made a speech, or in other words, read a printed statement, which in itself is a gem, especially just at this critical period in the world's history. Here it is:

"A new order of things is emerging from the events of the past five years. Whatever may intervene, the ultimate result is going to approach more closely a square deal—for labor, for capital, for the merchant, for the farmer, for everyone. The employer who is not square with his employe, or the employe who is not square with his employer, is going to be out of step with the times.

"The square deal is fatal to radicalism. There can be no social revolution in the United States or Canada, for the very simple reason that our government and the Canadian government are founded on the idea of giving everybody a fair show. There will be few disturbances of consequence if a majority of us adopt the square deal as our business creed and our social creed."

TO CRUSH ANARCHY

American brawn, aided by American brain, must furnish much of the material and many of the products to rebuild the European cities that have been hammered to pieces by the artillery of the Hun.

It is a big job, but America is ready and the years ahead hold prosperity and plenty for all. With the making of peace we enter a new area of understanding between all classes of our people. A new unity of purpose has been born on the battlefields where our brave boys gave their lives for the freedom and ideals of the flag they carried forward as they fought and died and won.

With these things in mind, the American people will continue to crush the I. W. W., Bolsheviks or any other anarchistic gang wherever it shows its ugly head. The starvation and suffering in Russia are not alluring to us. The tearing apart of families and the destruction of the home have no place in the ideals of this nation. Americans will never forget that they fought that very thing in France and whipped it to a standstill.

The world is to be rebuilt—and sane, level-headed Americans will bend to their share of the task. Full co-operation with one another and determined that no foreign agitators shall plant their poisonous ideas here to destroy our peace, our freedom and our homes.

HOPE FOR FARMERS

Looking about him for some time past, the president of the Indiana State Board of Agriculture has reached the conclusion that "there are many thousand Indiana farm boys—maybe 20,000 of them—who are no longer ambitious to leave the old homestead and earn their fortunes in the strenuously competitive life of city and town," says the Christian Science Monitor.

In other words, Indiana reveals to a man whose work is to study the agricultural tendencies of the state an important change from the attitude which in past decades has drawn the youth of the nation away from the farms and into the cities. The farm is appealing to young men who are ambitious to make a place for themselves in the world. Such a change promises much for the future in more aspects than the practical one of a reliable food supply. It means incidentally a wider diffusion of all the cultivating interests of national life, and a counter-action of the congestion of the great cities which is one of the serious problems in modern national growth.

Other experts disagree, but our own opinion is that Jess Willard is a good deal of a blimp.—Ohio State Journal.

Now the doughboys in German want to know if, the war being over, they can marry their Huns.—Columbia State.

Max Harden says Germany is at last ashamed of her war guilt. She must feel right strange.—Macon Telegraph.

PRESIDENT IN CHARGE OF SHANTUNG PARLEYS

Allied Powers Left It Entirely to Him and He Allowed Concession to Japan.

Washington.—Nothing has so startled the Senate since the treaty of peace was signed at Versailles as the admission by President Wilson at the White House, in consultation with Republican members of that body, that he alone conducted negotiations for cession of Shantung and forty millions of Chinese people to the domination of the autocracy of Japan.

The burden of permitting this decision was shifted to him by the Allied powers, all of whom, the President informed the Senators, were bound to comply with secret treaties made to draw Japan into the war on their side at its beginning. He therefore took the matter in hand and over the vigorous protest of Secretary Lansing, Henry White and General Bliss, his fellow delegates representing the United States, gave the Island Kingdom control of the three gateways to the future stifling of the Chinese Republic, and the richest of the latter's provinces. The three American protestants against the President's wishes favored taking Shantung from Germany, who had taken it by force, and giving it back to its original owner, China. They protested prior to the meeting of the council of the Great Powers which made the final decision in the matter.

The President is said by the Senators who consulted him on the subject, Calder, of New York; Edge, of New Jersey; and Cummins, of Iowa, to have admitted that the reason for his accession to the demands of Japan is that Japan would not have entered the League of Nations or signed the peace treaty had he not done so. And so, in contravention of the treaties of the United States and of Great Britain with China guaranteeing her integrity, he agreed that Japan should be permitted to violate that integrity to an extent of a tenth of her original population, and the most important part of her land surface. This also in contravention of the policy of the "open door" agreed upon by John Hay when Secretary of State.

The President denies that he originated or formulated the provisions in regard to Shantung, but does not deny that he was placed in charge of the negotiations pertaining to them, which was all the Republican Senators who visited him understood him to admit. Because of this admission, however, they hold him responsible for the lack of refusal to accede to Japan's demands. Japanese delegates in Paris deny they asked Shantung in return for giving up their racial equality claim, but not that they threatened to remain out of the league if not yielded it.

OUR BOYS BAND

The Dover News says. The Boys' Band of Maysville, was present at the celebration at Minerva, Saturday night and to say that they furnished excellent music is not boasting in the least. In our musical career which extends over a period of about ten years we have never encountered a musical organization that can compare with the work of these youngsters when their age and experience is taken into consideration. Our attention was particularly attracted to the playing of the little Miss Glascock on the Saxophone. Though the band is called the Boys' Band, there are several girl players who if they compare with the work of the little lady mentioned above are an asset to the organization. Maysville.

SUMMING UP THE EVIDENCE

Many Maysville People Have Been Called As Witnesses.

Week after week has been published the testimony of Maysville people—kidney sufferers—backache victims—people who have endured many forms of kidney, bladder or urinary disorders. These witnesses have used Doan's Kidney Pills. All have given their enthusiastic approval. It's the same everywhere. 50,000 American men and women are publicly recommending Doan's—always in the home papers. Isn't it a wonderful, convincing mass of proof? If you are a sufferer your verdict must be "Try Doan's first."

Here's one more Maysville case. A Sorries, lock and gunsmith, W. Second and Wall Sts., gave the following statement in January, 1912: "The action of my kidneys was irregular and the kidney secretions contained sediment. I had backaches and when I stooped over, I had trouble in straightening up. Colds settled in my back and kidneys, too. Doan's Kidney Pills stopped the trouble and my back and kidneys became as strong and well as ever."

A LASTING EFFECT
On November 14, 1916, Mr. Sorries said: "I am the same strong believer in Doan's Kidney Pills today, as when I gave my former endorsement. I haven't had any trouble with my kidneys in a long time and I believe the cure they gave me will be permanent."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the name that Mr. Sorries had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

RUGGLES NEWS

Ruggles Campgrounds, August 2.—

Of first importance on this the next to the last day of campmeeting was the demonstration given by the campmeeting children under the leadership of Miss Hurd. At the close of the afternoon service Miss Hurd had the little ones to the number of a half-hundred all lined up for their march. Led by the cornets playing "Onward Christian Soldiers" they marched around the camp stopping at places to sing songs and for a prayer. The children's favorite songs "Brighten the Corner," "If Your Heart Keeps Right," "Boula Land," and "Keep Sweet" were sung under the leadership of chorister, Brother Ashley. Miss Hurd had the little ones decorated with wreaths about their heads, presenting a sight to charm ever lover of the truly beautiful. Following the demonstration the little ones lined up for the benefit of a dozen or more campmeeting kodaks. About this time Carr Politt suggested that all whom had automobiles fill them with children and take a trip out to the Canaan church woods where the first campmeeting was held in the year 1872, one year prior to the first year on the present campgrounds. Six autos volunteered which were quickly filled with the youngsters, and many older ones who went along to see the sights. Arriving at the historic spot the crowd was given a short historic sketch of that first campmeeting by the historian. America was sung, Miss Hurd offered a prayer, then a scampering for automobiles and a return to the camp. Miss Hurd has proved the most popular and efficient leader of the children ever at Ruggles. The children simply adore her. "Fortunate indeed are the parents who have had their children under her care for these days."

The event of the day for a score of young people was a hay ride trip over the Esculapia mountain to Esculapia and Glen Springs. Chaperoned by Mrs. H. Carr Politt they started about 8:30 a. m., returning about 6 p. m. Everyone report a grand time although tired out. The following composed the party: Mrs. H. Carr Politt, Misses Lillian Muse, Lillian Ault, Juanita Richardson, Alice Taylor Knight, Marie Duzan, Lulu Emmons, Lena Emmons, Mary Catherine Politt, Alma Williams, Ardella Lynch, Mrs. Jack Farrow, Miss Grace Wallingford.

WILL LOSE EYE AS RESULT OF SHOOTING

Lewis County Man Shot by Returned Soldier Friday More Seriously Injured Than at First Thought.

A shooting scrap which may result very seriously occurred on the hill about one mile above Bowman Springs last Friday afternoon. As near as we can get the facts they are about as follows: One Rigdon the man who was shot was working tobacco when Alfred Britz, a recently returned soldier, came along the road going toward his mill box. Rigdon spoke to Britz who failed to return the salutation. Rigdon spoke to him again rather tolerantly telling Britz that he had to speak to him or he would beat him up. Britz took down the road swearing, saying he was going after a gun with which to shoot Rigdon. Rigdon kept on working tobacco not thinking Britz would return. But in about ten minutes hearing a twig break he looked up and saw Britz pointing a gun at him. He took several seconds to take good aim before firing. He put eight shot in Rigdon's face. Rigdon whined and ran when Britz fired the second shot putting nine shot in Rigdon's back. Rigdon kept on running through the woods and was fired on the third time but without any of the shot taking effect. Britz kept telling Rigdon to stop he wanted to kill him. Rigdon will lose one eye as a result of the shooting. It is thought, however, that he will recover from the other wounds unless blood-poisoning sets in. From what we can gather there hasn't been the best of feeling between the two men. Rigdon at times mistreating Britz.

"Hand across the sea"—Red Cross Juniors are establishing lines of communication which will build up an international spirit—an invaluable asset toward the establishment of the permanent peace of the world. The plan inaugurated by the Junior Red Cross for the future sets up a great system of social help extending from the home, the schools and the community to wherever there is pain and sorrow. Out of a newborn sense of justice and generosity, American children are saying, "We too, will carry on. We will help those who need us. We will make good our promises to mankind."

BAKER EVADED THE LAW IN AIDING OBJECTORS

Congress Gate Those With Religious Scruples the Right to Non-combatant Service.

Washington—That Secretary of War Baker not only aided conscientious objectors during the war, but disobeyed the law in doing so, is the charge made by Representative Walter H. Newton, of Minnesota. He says:

"I was asked as a member of Congress to use my best efforts to find out who was responsible for the consideration, sympathy and favor shown to so-called conscientious objectors. The one making the request had a son in the service. He voiced the sentiments of every parent who gave a son to the cause."

"From the autumn of 1917 until the present day every one has known that the numerous conscientious objectors, pro-Germans, I. W. W. and Socialists, were exempted from all military service, that they were being shown special consideration in the camps and exempted from military law. Who was responsible? Was it Congress? The selective service law provided that any member of a well recognized religious sect, the creed of which forbade participation in war, and whose principles were consonant therewith, could appeal to his local board, and, upon submitting proper affidavits, be exempted from combatant but not non-combatant service."

"The Secretary of War issued his orders setting aside this part of the selective draft act. He enlarged the exemption clause so as to permit the I. W. W. and Socialists to evade military service, either combatant or non-combatant. He issued orders to the various cantonment commanders to kindly and considerately and specially treat and deal with these so-called conscientious objectors, going so far as to engage sympathetic men to travel about the country and see that they were so treated. These orders were issued quietly and instructions were given to keep them secret. What he did the first instance was to issue an order directing that 'personal scruples against war' should be considered as constituting 'conscientious objection'. This was a deliberate enlargement of the law which he had no right to make. At that same time he supplied information to and co-operated with the enemies of the selective draft law. Assistant Secretary Keppel testified to having consulted the Secretary of War about not continuing to supply information to or co-operate with the Civil Liberties Bureau. The head of this bureau, Mr. Roger Baldwin, was sentenced to imprisonment for one year for evading the draft. And this personal friend of Secretary Baker so conducted himself in prison that he was moved elsewhere at the request of the prison authorities."

Why Central Can Not Answer Questions

The duty of the switchboard operator is to answer your number calls and get connections for you.

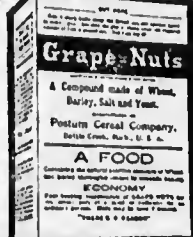

If she stopped to answer questions, the number of calls would pile up and the service would be delayed; this would be an injustice to the other subscribers.

When in response to a question, the operator says: "I will give you Chief Operator", she is obeying her instruction.

If you cannot find what you want in the telephone directory, ask the operator for "Chief Operator" and she will connect you with the "Chief Operator" where your questions will be promptly answered.

WATER COMPANY DIRECTORS ARE CALLED TO LOUISVILLE

The directors of the Maysville Water Company who came here from Louisville on Sunday, were called to Louisville this afternoon and will probably return on Wednesday. They have made a careful investigation of conditions and arrangements have been made to have an expert pump man here tomorrow to begin work on repairing the large house pumps. In the meantime the bank pump is operating successfully and there is now more than a million gallons of water in the reservoirs. The directors, before they left this afternoon, said that they would have the plant in good condition within a very short time and enough experts will be employed immediately to care for the city.

MURPHYSVILLE CASE RESULTS IN DISMISSAL OF DEFENDANTS

Basili Stevenson and William Middleton were tried this morning before Judge Fred W. Bauer and a jury on charges of disturbing public gathering. This case grew out of the alleged disturbance of a church fete at Murphysville several days ago. After hearing all the evidence the jury dismissed both defendants.

The Maysville Boys' Band played a concert on the streets Monday afternoon and also furnished music at the Washington Opera House where the Maysville Fourth of July picture was shown for the first time.

HIGH COST OF LIVING PROBE IS PROMISED FOR KENTUCKY

Governor to Name Men and Women to Probe the Cost of Living in Kentucky—Clothing and Shoes to Be Looked Into.

Governor James D. Black will this week appoint a commission of men and women to investigate the cause of the high price of the necessities of life in Kentucky and to make recommendations as to what action, if any, is possible, can be taken to bring about lower prices for food, clothing and shoes.

Prosecution in the courts, under the Kentucky anti-trust act, one of the most drastic laws in force in any State in the Union, is one of the possibilities, in case profiteering on the part of business interests is established.

"It is my intention to appoint the coming week a commission of men and women well known to the people of Kentucky," said the Governor Sunday, "to investigate the whole matter and make recommendations in regard to what action is proper and necessary to bring about a check in the high prices paid by our people for the necessities of life.

"While no complaint has been made to me officially, I have not been blind to conditions in Kentucky, nor deaf to the murmur of the people at the constantly increasing cost of bare existence for many of them.

"While wages are higher than ever before in the history of the State, the same is true of the most of everything that enters into the problem of life for the workingman. Unless something can be done to bring down the price of food within reach of the poor laborer, there will be genuine and widespread suffering in Kentucky this winter."

Governor Black indicated that his selections for membership on the food investigation commission would be persons well known to the people of the State and in whom they have confidence—business and professional men and women, whose report and findings will carry weight because of their source. With the primary campaign out of the way, the Governor will be able to give thought and time to the selection of this commission and so to get the best available talent in the State for that duty.

APPEAL FILED

Appeal was taken today from the judgment of the Mason Quarterly Court to the Mason Circuit Court in the case of Wheatley vs. the Sardinia Milling Company. This case has been twice before tried and in each trial the result was practically the same.

The Ice Company has refused to recognize any appeals for ice from out of this city, except in the case of Augusta, where a small amount was shipped on account of an unusual condition there, due to an epidemic of typhoid fever.

Some five or six trials under the fish and game laws of the state in Squire Fred W. Bauer's court this afternoon are attracting much attention. Most all the men of the Murphysville neighborhood are attending court today.

Mrs. T. Neal Hubbard and son, Charles, have returned to their home in this city after spending several weeks with her parents in Covington.

There will be a meeting of the Chautauqua committee of the Maysville Chamber of Commerce at the Chamber of Commerce building this evening.

Mr. E. S. Montgomery has been appointed a special policeman and is on guard duty at the Maysville Water Works.

RUGGLES FILLED WITH PEOPLE ON LAST SUNDAY

Literally Hundreds From Maysville Attended—Camp Grounds Well Filled—Services Fine.

Ruggles Campgrounds, August 8.—If Ruggles ever had a real ideal day for the closing Sunday the biggest of all camping days, this Sunday has been that very ideal day. After a night in which we all shivered on account of the cold the sun came up from a clear sky warming the atmosphere to an ideal temperature. The rains of Thursday had made the grounds fresh, laying the dust. Then the campers were all feeling fine, ready to entertain the crowd. And the crowd came by the thousands. The gate receipts exceeded any Sunday in all the history of the camping.

Most of crowd came in automobiles, one truck bringing even thirty from the Salem neighborhood near Germantown. People are here from as far as Bath, Nicholas, Robertson and Bracken counties. The automobile has been a great help to Ruggles Campmeeting. It was a great sight to walk through the woods and see the great number and variety of machines. The crowd while the largest in the history of the camping, has been the most orderly. So far we have not heard of a single instance of misbehavior. Credit prohibition with this. Furthermore the crowd attended these services, that is as many of them as could get under the tabernacle and within hearing distance standing outside. Many had come expecting to hear Dr. Bunton and were a little disappointed. But when they heard the great sermon preached by Dr. Blodgett in the morning they felt well repaid for coming. Dr. Blodgett preached one of his best sermons. He had perfect attention throughout and made a profound impression on the audience. The sermon was preceded by an inspiring praise service conducted by Mr. George N. Harding. Then Rev. Ashley sang one of his solos by request and Miss Muse sang for the third time one of their most beautiful duets, "Don't You Hear the Bells Ringing."

Rev. Peters led the early prayers. Several had gotten up real early to surprise H. Carr Politt whose forty-fifth birthday happens to be this good Sunday. At six a. m. they assembled on his front porch, sang several songs, gave him forty-five cheers and poked a birthday card through a crack in the window for him. But they couldn't get him out of bed; it was too cold for Carr that early. The crowd then marched to the tabernacle for the morning prayers.

Superintendent Litaler preached at 2 p. m. As he had to leave early to catch the afternoon train at Maysville he prevailed upon Evangelist R. M. Reynolds of Mt. Sterling to give the large audience a message.

The evening service is to be in the nature of a platform service, several speakers being on the program for this closing service. More about this service in our final report.

We are not suffering from any water famine out here as you are in Maysville but Maysville's water famine has hurt the confectionery very much these last few days it being almost impossible to get ice for lemonade and orangeade purposes or very little ice cream. Many of our Maysville folks are thinking seriously of remaining here until the water famine is relieved.

They say "What's the use to go home while we can get plenty of water out here?" Others who have good cisterns at home are wondering whether they will find any water in them when they return.

It would take entirely too much space to mention personally the many Maysville people here today. Literally hundreds of them are here. We imagine Maysville must be a little quiet. We are sure that after reading the big scare headlines in the papers that we do not look forward to returning home with very pleasant anticipations.

The final preachers to arrive and get their meal tickets were Rev. H. E. Trent of Vanceburg and J. D. Hagenrd of Maysville.

ONLY FAIR COURT DAY CROWD

There was only a fair sized court day crowd in Maysville today but business was good with the merchants. The usual number of trading horses were in the city but there was little cattle offered. Prices for the offerings were said to have been good.

BOY RUN OVER BY AUTO

The young son of Mr. Charles Fields, of the county was run over by an auto at Second and Market streets late this afternoon but was not seriously injured.

Misses Allie King, Frances Tugle and Wallingford of Mason county are camping at Bowman Springs for a few days.

Mr. A. L. Merz of Merz Bros. left Sunday morning for Eastern points on business.

GOVERNOR WINSOVER CARROLL BY A BIG MAJORITY IN PRIMARY

Nine of the Eleven Congressional Districts in State Carried by Black in Election Which Is Surprise Even to Black Forces Over State—Early Defeats Pollitt.

Governor James D. Black, of Bourbonville, won the Democratic nomination for governor in the state-wide primary Saturday by approximately 15,000 majority over Judge John D. Carroll, Chief Justice of the Kentucky Court of Appeals in a very surprising election. Even the Governor's warmest supporters were not expecting anything like the majority which he rolled up. Nine of the eleven congressional districts in the state were carried by Black and early Saturday evening Judge Carroll conceded his defeat and congratulated Governor Black.

Other winners were: Lieutenant Governor, W. H. Shanks; Secretary of State, Mat. S. Cohen; Auditor, Henry M. Bosworth; Attorney General, Frank E. Daugherty; Clerk Court of Appeals, John A. Goodman; Commissioner of Agriculture, John W. Newmau; Superintendent of Public Instruction, Lee Foster, of Hopkinsville. Prof. W. P. King, native Mason countant.

Election in Mason
Judge Carroll carried Mason county by a small majority receiving 531 votes to Governor Black's 354. Early in the race it was generally conceded that Carroll would carry Mason county by near 500 votes.

Mason county remembered her favorite son on the ticket and Prof. W. P. King received 622 votes to Eubank's 107 and Foster's 51. King received more votes than any man on the ticket.

Calvert Early ran away with Bernard Pollitt in the Representative race receiving 576 votes to Pollitt's 397. This was really the only race in which any interest was taken in the city of Maysville.

Republican Congressman Chosen

The most sensational happening on election day was the election of King Swope, of Danville, over Judge Chas. A. Hardin, veteran Democratic politician, to Congress in the Eighth district which never before elected a Republican Congressman but once. Swope carried Harrodsburg, Hardin's own town, by 27 votes. Swope's majority will be between 1200 and 1400 votes.

Although there was little interest in the Republican primary race, it appears that Charles I. Dawson has won the nomination for Attorney General and that E. C. Kash, of the Ninth Congressional District, has won the Railroad Commissioner's race. Both of these men were big favorites in Mason county receiving practically the entire Republican vote here.

ALABAMA BELLE LEADING WOMAN FOR TOM MOORE

In "Thirty a Week" Tom Moore's second Goldwyn Vehicle, he has a leading woman new to Goldwyn pictures. She is Tallulah Bankhead, granddaughter of United States Senator John H. Bankhead of Alabama and daughter of Representative Bankhead, of the same state, both serving together in the same congress. See "Thirty a Week" at the Pastime Wednesday, August 6.

HELD TO GRAND JURY ON ROBBERY CHARGE

"Sheep" White, Colored Man Just Back From the Army, Must Go Before Grand Jury to Face Highway Robbery Charge.

In the local police court this afternoon William "Sheep" White was given an examining trial on a charge of highway robbery and was held to the next session of the Mason County Grand Jury under a five hundred dollar bond which he was unable to give. It will be remembered that in August, 1917, Mr. William Slack was struck in the head by some one in Graves Alley and badly wounded. The man who struck him is said to have taken from his pockets a sum of money in excess of \$12.

On the night of the robbery Officer Drennan saw White and Mr. Slack go into Graves alley in twenty-five minutes he found Mr. Slack wounded on the street. Since that time White has been away from Maysville, returning here once but keeping away from the police, who searched the town for him. He later joined the army and only two weeks ago was discharged having just returned from France where he served.

White was convicted once before, it will be remembered, in the Mason Circuit Court for robbing an aged man of a large sum of money after he had knocked him in the head in the Central Tobacco Warehouse.

SCHOOL GIRL TELLS OTHERS

How They Can Find Relief From Periodic Sufferings.

Nashua, N. H.—"I am nineteen years old and every month for two years I had such pains that I would often faint and have to leave school. I had such pain I did not know what to do with myself and tried so many remedies that were of no use. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers and decided to try it, and that is how I found relief from pain and feel so much better than I used to. When I hear of any girl suffering as I did I tell them how Lydia E. Pinkham's Vegetable Compound helped me."

DELIA MARTIN, 29 Bowers St., Nashua, N. H. Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, therefore is a perfectly safe remedy to give your daughter, who suffers from such painful periods as did Miss Martin.

The reason so many girls write Lydia E. Pinkham Medicine Co., Lynn, Mass., for help is because from their 40 years experience they have a store of knowledge which is invariably helpful.
